

37th ANNONAY INTERNATIONAL FILM FESTIVAL

REGULATION OF THE COMPETITION

1/ In February 2020 for the 37th year consecutively, Annonay's M.J.C. will organize a cinema Festival. One of the sections of this Festival is an international selection of first feature films.

2/ In order to be selected for the competition, films must last at least 60 minutes, they should not have been made before 2018, and must be the first feature of their directors. The directors will not have completed a second film by the time of the screening of their work at the Festival.

3/ Only fiction films can be selected for the competition.

4/ DCP or Bluray with French subtitling are **the only screening formats that will be accepted.**

5/ The selection cannot include films which have benefited from commercial diffusion in France prior to the Festival (either in cinemas or on television).

6/ All the films must be seen by the Festival selection committee. The viewing might be done while attending other Festivals (please, let us know the dates and places of screening as early as you can). If this is not possible, DVD or Bluray or screening links should be sent to the selection committee **before November 15th 2019.**

7/ Films will not be officially registered until the Festival receives the application form downloaded from our website. A signature on this form implies a total agreement with the regulation of the Annonay International Film Festival. **The registration period will be closed on November 15th 2019.**

8/ A list of the selected films can be consulted online on the Festival Website around **December 15th 2019.** Please note that the results will not be given on the telephone. If your film has not been selected and you wish to have the tape sent back, please ask for it by the end of **April 2020.**

9/ The Festival will bear the costs of a DCP journey to and from Annonay, as well as the custom fees.

The Festival will not pay any rental or screening fees.

10/ The selected films will be screened in their original version with French subtitles. **The making of the subtitles is up to the candidates.**

11/ Each one of the nine films selected for the competition will be screened three to four times during the Festival.

12/ All selected film directors will be invited over to the Festival (only one invitation per film). The Festival will bear the costs of every guest's journey, meals and accommodation.

13/ For press and communication purposes, every selected candidate must provide by **December 8th 2019**

- a short summary of the plot
- several portfolios of pictures from the film
- a photo and a biography of the director mentioning his former works
- two large posters and some smaller ones
- a dozen of press kits (in French if possible).

14/ For technical reasons linked to subtitling problems, the prints of all nine films selected for the competition must be delivered to the MJC by **January 15th 2020.** Please make sure there are no technical problems before sending the print.
